<p><b>1. Zusammenfassung</b>  <i>Wie wurde die Prämie verwendet und welche wesentlichen Ergebnisse wurden erzielt?  Wann wurde der ERC-Antrag wieder eingereicht?</i></p>
<p>The award has been used for hiring a postdoc and buying some chemicals+equipment that have allowed performing some of the experiments planned in the ERC proposal, including several successful runs at the European XFEL facility.  A new application to the ERC Advanced Grant was submitted in 2018.</p>
<p><b>2. Karriereentwicklung</b>  <i>Wie hat sich Ihre Karriere entwickelt?  Wie sieht Ihre weitere Karriereplanung aus?</i></p>
<p>I am now working as a group leader at the attosecond facility ELI-ALPS in Szeged, Hungary.</p>
